

ROAD HAZARD PROTECTION

Enjoy extra peace of mind with the Sumitomo
Encounter HT Road Hazard Protection Program.

ROAD HAZARD PROTECTION

Any Encounter HT that becomes unserviceable within one (1) year of the purchase date or within the first 2/32nds of an inch of treadwear (whichever occurs first) due to a normal road hazard condition will be repaired or replaced free of charge (subject to the General Conditions and Limitations). The term "road hazard" does not include sidewall damage from scuffing curbs.

NOTE: The Road Hazard Protection Program is a supplement to the Limited Warranty that accompanied the tires you purchased. The warranty exclusions and limitations of that Limited Warranty apply to this Program. You will not be eligible for replacement or repair if the tires:

- Are not installed on the original installation non-commercial vehicle;
- Were not operated in normal highway use in the United States or Canada;
- Exhibit damage from defective wheel or vehicle conditions; or
- Exhibit damage from negligence, abuse or improper inflation or load.

See the Sumitomo Passenger and Light Truck Limited Warranty for more detail about warranty exclusions and proper tire use and safety.
